Whiskey related slogan	 Your country crush	Music City mention	Day drinking!	Song that makes you laugh
Three pairs of cowboy boots in a row	First mention of a man's name	 Note you could only reach in your dreams	Matching check shirts	Weather defying super short shorts
 Lyric so 'Merican you need to translate	That song you really love but you shouldn't	The same fan in the front row at more than one show	Steel guitar solo	 Your life in a song
